

*It's that wonderful  
time of year again!*

We are excited to invite all students and staff of St. Daniel School to a wonderful Christmas Turkey lunch in the gymnasium on Wednesday, December 20<sup>th</sup>, 2023.

Our delicious Christmas meal will include turkey, stuffing, mashed potatoes, gravy, veggies, buns, and a cookie! We are asking students to be “green” by bringing their own plate, utensils, and drink/water bottle.

**To help offset the cost of the meal, we are asking parents to contribute \$8.00 per child. All payments can be made through [SchoolCash Online](#)**

In order to make this lunch successful we also need your help. If you and/or other family members are interested in supporting this tradition by volunteering, please let us know by filling out the link below. Our volunteer coordinator will reach out to you to share event details.
