

All students and staff at St. Daniel School are encouraged to wear their colourful, fun or mix-matched socks on **THURSDAY, MARCH 21** to celebrate World Down Syndrome Day.

Worldwide, individuals and groups wear colourful socks to celebrate our differences and raise awareness about Down syndrome. On the evening of March 21, landmarks around the world will be lighting up in blue and yellow to recognize this important day.

Thank you for encouraging everyone to **#EndTheStereotypes** on March 21 and every day!
